Greetings,

October 2011

This month has brought some new additions to the home; the older brother and sister of the four children we received this past January. The older brother Tshepo is 14 years old. He's currently living in town with an Uncle and going to school. At this point he is coming to visit with us on weekends and holidays. The sister Anna is 13. She has not had a stable life and was not in school. She is currently staying with us and started school again this month.

Becky and Sonia who we told you about last month have been a real blessing with the care and education of the children. The girls are helping with preschool activities for the two youngest, and helping with after school tutoring in the afternoons. They spent a few days of the recent school holidays doing a vacation bible school with the children. They've taught the children how to throw a Frisbee and a lot of other fun activities. Their help next month while we are on furlough is a major blessing to the children's home. We wish we could have kept them another month.

We've had a lot of visitors this month. Ladies helping with tutoring and doing art projects with the children. Mick was able to get the slide installed on the jungle gym and the children are really enjoying it. We also hung an old tire from a tree, and that's become a favorite activity.

The plumbing for the second house has been started. We are hoping it will be finished soon.

The enclosed garden that we were blessed with is really coming along. At this point, we are not purchasing very many vegetables, and those we are buying will soon be supplied by the garden as well and we will be self sufficient. The garden is really flourishing under Harry's care. So much so, that we have built a little road side stall and will be able to sell the excess vegetables.

Donations & correspondence can be sent to the following address: 200 Solley Dr, Winchester, MO 63021
Our South African address: P.O. Box 1265 Vaalwater 0530 South Africa

It doesn't seem like it has been two years already, but it is time for our furlough again. We will be arriving at the Tulsa airport on 28 October at 8:12 pm on United flight 3670. We will be in the states until 3 January. We do not know what cell number we will be using yet, but you can leave a message at 918-298-0912. Please let us know if you would like us to visit with you or your small group. We want to see as many friends as possible while we are in the states.

For anyone who might be at the missionary convention in Atlanta this year, our booth number is 1108. Please stop by and see us.

The holidays are just around the corner, and some of you may already be doing some shopping on-line. Please don't forget many stores have on-line purchasing options and it's amazing how many of those give to charities through www.goodsearch.com. Just type in "Prince Ministry in South Africa" for the "WHO DO YOU GOODSEARCH FOR?", hit enter and look further down the page for the "Goodshop" section. You'll find quite a list of stores that give a percentage of your purchase to the charity of your choice. If you plan to do any on-line Christmas shopping, please go through the Goodsearch webpage. The ministry will put that money to good use, and it doesn't cost you anything. As an alternative to going through the goodsearch website, you can go to our website www.princeministry.org and download the goodsearch toolbar. When you have our toolbar on your computer, it will automatically register any on-line shopping you do. Don't forget to download the toolbar on your office manager's computer. Most of the big office supply stores also participate in goodsearch. While you are at our website, please notice we also have links to a grocery coupon site and a magazine ordering website. These all help our cause, and it doesn't cost you anything. If you would like to make a donation in someone else's name, we can send them a picture or note to show them what their gift is doing in South Africa.

Prayer requests: Funding to support our second children's house, funding for after school tutoring, finding additional staff with a heart for children, short term and long term volunteers. Safe travel for our furlough and God's hand of protection to rest over the Fold. Strength and guidance for Harry and Peggy while we are away.

Praises: Our second children's house soon to be a reality. All the visitors who have come and helped us out.

God bless,
Paul and Micky Prince
