prince@princeministry.org

Greetings,

February 2012

It's been another full and busy month. Micky's mom, Jared and Marcy all departed this month. They were a great asset during their time here. The children loved them all and hope they come back soon. We had a birthday party for Micky's mom, who turned 75, Piet who turned eleven, and Leya one of our house mom's.

Some good friends arranged a game drive for our volunteers. Although we never found the elephants and giraffes, and our picnic got rained out, it was still a great day. We had some big laughs when water, that had accumulated on the top of the vehicle, came pouring down on us as we made a turn.

The semi-annual board meeting for The Fold was held this month. We're still investigating educational options for our children. A new training program for the staff will go into affect soon. Once training is complete, and we are confident in the abilities of the current staff, we'll be making arrangements to open the second house. Some of our board members are making arrangements for the final bits of construction, along with researching the acquisition/cost of a passenger van. All in all, it was a very productive meeting.

Some friends of The Fold are making arrangements for a golfing fund raiser on 16 June. We're also getting additional interest from new groups on what they can do to help.

This month we have a new addition to our family. Her name is Jessica and she'll be 7 in June. She's a very sweet little girl who's fitting in well with the rest of the children. Our other two girls are enjoying having a new sister.

The internet company has received permission from our neighbor to install a tower on their property, which will enable us to get a signal on our property. Unfortunately they're having issues with existing towers which need to be addressed before they can install the new tower. So at this point, we are waiting, but happy to know there's a solution coming.

Prayer requests: Funding for operational expenses of our second children's house, after school tutoring, purchase of a van, and short and long term volunteers.

Praises: Our second children's house soon to be a reality. The interest we are having in regards to the Fold.

God bless,  
Paul and Micky Prince
