Greetings,

April 2016

It's been a hectic month, but fairly quiet as far as news goes. The Prince's were on retreat in Cape Town and a week later the du Plessis family was out for two weeks in Durban. Being short handed most of the month was the hectic part. Our time in Cape Town was amazing. The retreat was really great and we got to do a lot of sightseeing while we were there. The du Plessis family posted lots of family fun pictures of their trip. They really needed the break.

For many years we have been working to keep one of our family groups of children with us. For the last year, we have been in court every other month. We were assured the outcome for us would be the loss of the children. Our last day in court was this week and a miracle happened. We have a court order for 2 years that states the children are allowed to stay with us, and as long as they are doing well, there is no reason why the judge won't renew the court order. Now the children can relax and not be worried anymore; we are very happy.

The vegetable garden is coming along. We're getting lots of spinach every week. Good nutrition for the children. Some of the tomatoes are also ripe enough for harvesting.

The children were on school break at the beginning of the month. The few children that stayed with us during the break were spoiled rotten with lots of trips.

On occasion we receive cash or an American check sent to us in South Africa. Please send any donations to the American address at the bottom of this page. Mail frequently gets lost here, and we have to send the checks back to the US to be deposited. We appreciate all our supporters and your donations. We couldn't do this work without you.

Donations & correspondence can be sent to the following address: 200 Solley Dr, Winchester, MO 63021  
Our South African address: P.O. Box 1265 Vaalwater 0530 South Africa

Shamba turned 7 this month and the Saturation team spent the weekend with us.

Mama Kedibone came back to work this month. She was out for 6 weeks after being hit by a car while on foot. The kids are very excited to have her back. Kedibone was very emotional with all the excitement. She still has a way to go to get back to 100%, but her kids will be a big help to her.
