Greetings,

March 2011

Another month has gone by and it is the day to day activities of running a full house that keeps us constantly busy now.

This month the court system gave us custody for at least two years of our recent four children. At that time, it will be reviewed. Please pray for them and us, that we can make a huge impact in these precious children. We have a new friend Theko who works in this area. When he gets the chance, he spends time at the Fold, working with the older boys. He's able, in their language to help them get used to their new life here, and help us to get them settled in, to teach them to take care of what they have, clothes, toys, etc. Teaching them basic life skills, to get along with each other.

The first term of school was finished on the 25th of this month. We have school holidays for two weeks. We will be concentrating on keeping the children busy with different activities during that time. Thankfully Theko is able to be with us that first week. Peggy and Harry will be taking a much needed vacation these two weeks, spending time with most of their children in the Cape.

There were some special work days this month, finishing up the vegetable tunnel. We have certainly been blessed by the family who donated it. Harry already has tomato plants growing.

Two of the workers who helped with the tunnel were visitors from England. They made a special trip on two other occasions just to come and play soccer with our boys. Our boys really enjoyed the time spent playing with these two young men. Paul spent quite a bit of time with the industrial weedeater cutting out a play area for the soccer. All the men cut poles and built some goal posts.

The Fold had a board meeting this month. It's always nice to be able to get everyone together to be able to discuss the road forward, and to see the people in person, since we all have very busy schedules. It was a very nice day. After the meeting, everyone got to see the new

vegetable tunnel and we had lunch together. Some of the members were able to spend the entire afternoon visiting with the children and us.

Anna from Wyoming is here in South Africa for a few months, working with Marilyn Cook. They took time off from their busy schedule to bring blankets for the children, that had been made by family and friends from Anna's church. We will certainly put them to good use this coming winter.

Our supporters using the "good search" search engine have been slowing down. This past month it was hardly used. However, the "good shop" portion of the website has some activity. Please go to "www.goodsearch.com" and put in "Prince Ministry in South Africa" in the space for "who do you good search for". Once you do this, all your searches will earn us a cent, and it all adds up.

Prayer requests: Continued safety for all working at The Fold. God to be blessed and glorified by all that happens at The Fold. All the children settling in to a new family dynamic. Safe travel for Peggy and Harry.

Praises: We thank God for the blessings of friends, who believe in what we are doing, and help us with prayer and funds.

God bless,

Paul and Micky Prince
