Greetings,

July 2011

We had an uneventful flight back from our vacation in the states. It didn't take us too long to get over our jetlag and jump back into the daily routine. The children were on school break until the 18th of July. Theko and Penny did a great job tutoring them on school subjects along with having fun also. Our friend Sharon, a school teacher, also spent a few of her vacation days working with our children. We are taking advantage of school breaks to get our children up to speed on where they should be with their educational levels. We are always looking for more volunteers to help in this area.

A lot of work was accomplished this month. Dion (a volunteer) spent two days with us and did a great job getting some painting done on the second children's home. Harry also got some great projects accomplished this month. We now have a stone seating area around the conference center, which replaced all those wood logs that were riddled with ants. And also, a nice stone table and bench under a huge tree on the property, which will be the perfect spot for having a quiet place to read or just watch the animals and birds passing by.

The second home is coming along. In addition to the painting, the wood ceiling in the bedrooms has been installed and some of the varnishing of the wood ceiling has been done. Paul has finished building closets in two of the bedrooms. We are hoping to have some of the electrical wiring taken care of soon. We may have volunteers lined up to work on that. Still need to find some volunteer plumbers though. Even without the electrical and plumbing items, some of the bedrooms will be usable by volunteers this coming Spring. They'll just need to have a flashlight handy, and take their showers out in the camping area.

Our annual general meeting of The Fold will be on the 6th of August. I'm sure our board members will be amazed at what has been accomplished since the last meeting. It will be a very busy meeting, as we have many things to discuss.

Paul turns 60 on the 24th of August. Anyone wanting to send him a card can send it to: P.O. Box 1265, Vaalwater 0530, South Africa

Prayer requests: Continued safety for all working at The Fold and the means necessary for all of our children to learn, grow, and reach their full potential. Funding to support our second children's home, and funding for an alternative schooling situation.

Praises: Our second children's home soon to be a reality. Paul, Micky and Peggy's safe return home.

God bless, Paul and Micky Prince
