Greetings,

26 December 2013

As 2013 draws to a close and we take a look back, it has been an amazing year in regards to progress made at The Fold. This month has brought a lot of blessings as well. In regards to school, all of the children passed with the exception of three. Anna passed 2nd in her class of 58 students. We are proud of her accomplishments. Anna turned 15 this month. She is turning into a beautiful young lady.

Teyani had another eye checkup this month. His vision has improved a little and he will go back for another checkup in three months. Mpho has had something in her ear for months and will be admitted to the hospital in February so they can sedate her to remove whatever it is.

The children have been seriously spoiled this month. Multiple Christmas parties, along with multiple donations of toys, food and school supplies. We were approved to receive Santa shoe boxes this year. There have been lots of visitors this month. An amazing donation this month was given by a local dentist. He's going to take care of the children's dental issues. This has been a huge

concern to us, as some of our children have cavities.

Donations & correspondence can be sent to the following address: 200 Solley Dr, Winchester, MO 63021 Our South African address: P.O. Box 1265 Vaalwater 0530 South Africa

All of our medical appointments and test results have finally come through with positive results for both of us. This was an answer to prayer. Now we know we're healthy and can start planning for the coming year. We look forward to getting back to The Fold and spending more time with the Hayes family. They have really done a great job in our absence.

We will be leaving the US on 2 January. We depart from Tulsa on Delta flight #5163 which departs at 12:44PM. We will arrive about 10am to check in and will have at least an hour to hang around and visit before we go through security. If your available, please come by and say goodbye.

For everyone who has blessed us with your volunteer hours or a financial gift this year, we would ask that you check with your employer for any type of community support program. We have previously benefited from corporate matching programs for employee's financial donations, as well as corporate donations for hours volunteered by an employee. Also, if you need any additional tax deductions for 2013, Prince Ministry is an approved 501(3)c charity. Please think of us if your accountant says you could use more tax deductions.

From all of us at The Fold, we wish all of you a very prosperous and Happy New Year. Thank you for your interest in what we're doing, your prayers and your financial support. This is a joint effort. We couldn't do it without you, and can't tell you enough how much we appreciate all of you.

Prayer: Teyani's eye, Mpho's ear issue, safe travel for the Prince's.

Praises: Good health reports for the Prince's and Teyani. Good results for the fund raising this year. Dental services donated. All the toys, food and school supplies that were donated.

God bless,

Paul and Micky
