Greetings,

June 2014

Another month gone by and half the year is over already. The time just flies here. We had Adam's father Dave visiting with us for two weeks. He did some sightseeing while he was here, spent quality time with family, and the work he accomplished was amazing. He helped build three bedrooms closets, and constructed a new computer lab. Adam is now getting all the donated computers up and running in time for the children to be out on school break the end of this month. They haven't had any computer time since late last year. Now we have more computers and our old friend Sonia is with us for the next four weeks, so the children can get computer time with proper supervision. Sonia was with us for 3 months about 2 ½ years ago. She'll be visiting us off and on for the next 5 months. The children were very happy to see their friend again.

Mrs Common Wealth South Africa visited the Fold with her two daughters, who also hold titles. They brought lots of goodies for the children and stayed and played with the children for two hours. It was a great day. The children love to have people come play with them. Our new friends are already planning their next visit to come and play again.

June is a big birthday month for us. Lettah turned 3, Gadibo is 11, Jessica is 9, and Aunt Jennifer also had a birthday.

Donations & correspondence can be sent to the following address: 200 Solley Dr, Winchester, MO 63021  
Our South African address: P.O. Box 1265 Vaalwater 0530 South Africa

The local private school had their annual family fun day. We had a booth to sell some sweet potatoes from our garden, a lot of used books that were donated, homemade jewelry and other craft items. We also made new friends. The children had a blast riding the rides and participating in the water balloon toss, tug of war and other fun games.

The Hayes family made a promotional video of the Fold for their home church. They did a great job on it. If you would like to see it, here's the link: <http://youtu.be/NQNAUHlxmvE>

Prayer requests: Encouragement and wisdom in dealing with the children's emotional issues. We have a 3 week school break the end of this month and emotional issues tend to increase at these times. Teyani's eye lesion. Short and long term volunteers. The children do well in school this year. Botzum family and progress to be made for their future here. We are hiring additional housemother assistants, need wisdom in selecting the right women.

Praises: The Botzum's future with The Fold. Local interests in The Fold continue to increase and the recent donations. Jennifer is having good progress in the housemom training.

God bless,  
Paul and Micky Prince
