Greetings,

September 2013

It's been another quiet month. The children are on school break for a week at the end of this month. There are no big plans for this break. Mainly we will be getting various vehicles in for service, that we can't get done during the school week. We also have a group from Johannesburg who have come to use our camping facility.

The Hayes family continue to settle in. They've bought a car and even modified their two bedroom apartment into a three bedroom. They've been busy. We are only three weeks away from our departure date. We are busy getting ready for the Hayes to take over the Fold while we are gone. Our next newsletter will be from the states. Our Sundays are all booked while we are in the states, and we'll be contacting individuals when we get home to set up personal visits. For our Tulsa supporters, we are having a fund raiser at El Chico's Mexican restaurant at 101<sup>st</sup> and Elm in Broken Arrow. It will be on 28 October from 5-10pm. Let the hostess know you are there to support Prince Ministry.

We managed to get everyone in one place for our family photo, so we can make prayer cards for our upcoming furlough. It's impossible to get this many people to all smile at the same time.

Donations & correspondence can be sent to the following address: 200 Solley Dr, Winchester, MO 63021  
Our South African address: P.O. Box 1265 Vaalwater 0530 South Africa

We had two birthdays this month, Teyani turned 6 and mama Kedibone celebrated her birthday. Here is a picture of all three of our mamas. Fatima, Kedibone and Suzan.

Prayer requests: God's guidance as we settle in with the Hayes family and divide up responsibilities. The Hayes being successful in getting their South African driver's licenses. Good progress for us as we get ready for furlough. Teyani's eye lesion. Short and long term volunteers. Possible health issue for Micky

Praises: Hayes family is making good progress as they settle in. Local interests in The Fold continue to increase.

God bless,  
Paul and Micky Prince
