Greetings,

May 2015

As always, it's been a fairly busy month. On the first of May we took the children to a place called Eventeria. We refer to it as our local zoo. We spent a few hours looking at all the animals, had a picnic lunch, and then used their pool for the afternoon. The children had a great day. Except for Ronny (age 6). For some reason, he was petrified of the larger animals and wanted to go home. He was practically crawling up Micky's back and walking in her shoes.

We had a 4 day get away to celebrate Micky's birthday. We had lunch with friends who we hadn't seen in 8 years. Spent a day at Pilanesberg Nature Reserve and saw tons of hippos, elephants, lions and lots of other game. Even spent most of a day at the water park where our hotel was. It was a great mini vacation, which will be the last bit of time off we'll have for quite awhile. The Hayes family left for the United States right after our vacation. Please spread the word we need more coworkers at The Fold. Short term is great, but we really need long term help. Especially the end of this year. We had planned to be on furlough beginning in October, but that will not be possible if we don't have coworkers by then. We will have to go on furlough separately for just a few weeks, if we don't get some new workers. We also need teachers to come and stay long term.

Our other birthdays this month were Kamo (11) and Sello (9).

Donations & correspondence can be sent to the following address: 200 Solley Dr, Winchester, MO 63021  
Our South African address: P.O. Box 1265 Vaalwater 0530 South Africa

May brought quite a few visitors. No overnights, just day visitors. People who came to see what we're doing, play with the children, as well as another visit from our much loved Saturation team who came to spend a half day playing with the children.

We got great news from our friend Ellis in the UK. He has posted a fund raiser online with GivenGain. He will be doing an ironman in September and is raising funds for The Fold. He is hoping to raise 10 British pounds per mile. If you'd like to read his story, here is the link: <http://www.givengain.com/activist/139699/projects/>

We have a meeting on 10 June with a panel of social workers in regards to our registration with the social development organization. We were asked to bring some of our board members to the meeting. Please pray for us that the outcome of this meeting would be very good news for The Fold.

Prayer requests: Our meeting with the social workers on 10 June. Teyani's eye lesion. Short and long term volunteers. Additional missionaries to meet current needs at The Fold, especially teachers. Protection and stability for The Fold children. Volunteer relief so we can go on furlough later this year.

Praises: The local interests in The Fold continue to increase. Donations.

God bless,  
Paul and Micky Prince
