prince@princeministry.org

Greetings,

June 2011

This has been a hectic but wonderful month. Our second residence is almost complete. We just need to finish the electrics, plumbing and painting the walls. We will need approximately \$1500 in additional funds per month, to support the new residence.

One of our visitors this month is looking into acquiring two zebra to donate to us. That would be awesome.

Several of the local churches are looking into using our property for family retreats and are therefore getting involved in extending the camping and conference facilities. Harry's veggie garden is really taking off now. Harry gave us some green beans just a few nights before we left South Africa. The spinach is ready to eat, and he's saved most of the tomatoes from the monkeys.

Our home church from Oklahoma sent visitors this month. Pastor Greg, Brad, our old friend Marvin, and new friend Patrick came and spent two days with us, prior to us leaving for the states. They were very impressed with what has been accomplished. Our church wants to send a team sometime in the future to help with some of our work projects. They brought some kid size musical instruments with them. Theko gave the children a quick rehearsal, and they put on a concert for us.

Peggy is currently in England for a family reunion and to do fund raising for The Fold. She's concentrating on funding to improve the education of our children. Keeping with the educational theme, we hope to get computers at some time in the future for the children's entertainment (okay, it's really for educational purposes, but we'll just let them think it's fun). If anyone has children's educational computer CD's they no longer have a use for, save them for us and we'll take them back to South Africa after our Nov-Dec furlough. Another fund raising effort is underway by our St Louis supporters who are planning a trivia night/silent auction while we are visiting in November to raise money for a larger vehicle so all of the children can be transported safely together.

Donations & correspondence can be sent to the following address: 200 Solley Dr, Winchester, MO 63021
Our South African address: P.O. Box 1265 Vaalwater 0530 South Africa

It was a very long flight back to the states for Paul's son Matt's wedding. We went through London this time, which made for longer flight times. But we saved money that way. It has been a very good break for us. The wedding was beautiful. We were in the states for the week prior to the wedding. After the wedding we went with the remaining family members on Paul's side to Cape Cod. Paul's daughter Jenny was able to get a cottage rental only one cottage away from the beach. We all had a great time. We spent a few days at the beach. Paul even tried using a boogie board and before he knew it, he had been out in the freezing water for almost two hours. He had a blast. We also made a trip to Martha's vineyard. That was a lot of fun. It was a very good vacation. We leave the USA on 2 July and arrive home in South Africa on 4 July.

Prayer requests: Continued safety for all working at The Fold and the means necessary for all of our children to learn, grow, and reach their full potential. God to be blessed and glorified by all that happens at The Fold. Safe travel for Paul, Micky and Peggy who will all be returning to The Fold. Peggy's fund raising in England. Funding to support our second children's home, and funding for an alternative schooling situation.

Praises: Time away to renew our strength and to see family members. Our second children's home soon to be a reality.

God bless,

Paul and Micky Prince
