Greetings,

September 2017

We had visitors this month; Olivia and Kitty are two college girls from England. They spent two weeks with us. They fell in love with the children and really hated to leave. But they said they would be back, and would hopefully bring or send all their friends to us as well. They taught the children some new games and songs. They helped out in the school and held math tutoring sessions. They also helped put together a few video clips of the children at the Fold and got a new video posted on YouTube for us. You can see it using this link: <https://youtu.be/fUC6IR2pV2A>

Our friend Michael Calamia from A World Aware brought a team of two to spend a day working with the children, and they helped Michael conduct a leadership training program with our older children. One of our teachers attended the training as well and said it was awesome! Michael will be back in the future with additional leadership training.

On a very sad note, we have had to cancel this year's fundraising trip. On 12 October Micky will be having a mastectomy and reconstruction surgery. Thankfully the doctors have caught it before it turned into cancer. With a history of maternal breast cancer, the doctor said the surgery couldn't wait until we got back in January. The recovery period will be quite long. To ensure we hopefully miss any winter weather, we have rescheduled our trip to arrive in the U.S. 26 April and leave on 23 July 2018. There were quite a few fund-raising events that were already planned for October and November. Because there was so much work already put into the events, the events will still go on without us. We're very grateful for this, as we need extra funds for our new school year that starts in January. For those in the Tulsa and St Louis area, please see the last page of this newsletter for dates, addresses and contact numbers for the events.

Donations & correspondence can be sent to the following address: 200 Solley Dr, Winchester, MO 63021  
Our South African address: P.O. Box 1265 Vaalwater 0530 South Africa

Still no word on Micky's last appeal that was filed for her visa. Please pray if it's denied again, that it won't happen just after the surgery. Appeals have to be filed in person, within 10 days of the denial.

Birthdays this month were Teyani (10), and Tshepiso (7)

We have been honored with one of the first Top-Rated Awards of 2017 from GreatNonprofits! We appreciate all of your contributions! Please check out our page at: <https://greatnonprofits.org/org/prince-ministry-in-south-africa>

Prayer requests: Micky's surgery on 12 Oct. More funding for The Fold. Teyani's eye lesion. Short and long-term volunteers, additional missionaries to meet current needs at The Fold, especially teachers. Long term funding for our school. Micky's visa. Good progress on the apartments.

Praises: Lots of fundraising events that will continue without us being there. Micky's medical issues being caught before they turned into cancer. Prayers from all over the world for Micky and Paul. One of the volunteer apartments is finished.

God bless,  
Paul and Micky Prince
