Greetings,

September 2018

This month included a great celebration; four of our teenagers were baptized. We're very excited for them. We used the neighbor's pool, had all the children and staff with us, and had communion afterwards.

Thanks to some generous donors, we were able to purchase three solar powered geysers/hot water tanks. This will help a lot with our electric bill.

Birthdays this month were Teyani (11), Tshepiso (8) and mama Kedibone.

Donations & correspondence can be sent to the following address: 200 Solley Dr, Winchester, MO 63021
Our South African address: P.O. Box 1265 Vaalwater 0530 South Africa

The Wild Cats team from A World Aware/SA (made up of our older children at The Fold) are working with the younger children each week. Each team member takes a turn being responsible for a project, planning it out, gathering all the materials needed and using the rest of their team-mates to facilitate the project with all the younger children. Gadibo, Nancy, Piet and Maria took their turns this month. They had games, songs and crafts, and did an amazing job. When the sessions are finished the Wild Cats sit in debriefing with Michael and critique their lesson. During the last session, they all asked if they were finished or could they please do more like this. He love this team!

Prayer requests: Micky's cancer treatment continues until 9 November. Short and long-term volunteers, additional missionaries to meet current needs at The Fold, especially teachers. Long term funding for our school. God's favor for the long-term future of The Fold.

Praises: Our four teenagers who were baptized. Micky continues the milder version of the chemo with no noticeable side effects. Visitors who brought a lot of various supplies to donate to The Fold. New solar powered geysers/hot water tanks.

God bless,
Paul and Micky Prince
