Greetings,

September 2019

Last month we mentioned our pick-up truck had died and unfortunately it wasn't worth

repairing. But an amazing thing happened.

With the help of a lot of individuals, we were able to buy a brand new truck instead of a used one. This was possible by combining the money we had available for a used truck, plus the sale of the dead truck, and a huge discount on the new truck. And to top it off, with the help of many of the same people, we'll be getting a second-hand truck for free. The Fold operations needs two vehicles. Currently we're

using our personal vehicle for a lot of travel for The Fold, and we'll be selling it before we leave next year. God is just amazing with his multiplication blessings.

Paul and Micky were very surprised when a party for the children on 21 September turned out to be an early going away party for them. It was very special. The children sang and made them cards. They have a very special banner to take back to the US that has a lot of pictures from past years at The Fold, and kind words from a lot of people they've known over the last 12 years they've lived in South Africa.

Our friend Andy from Ministro Journeys visited again this month, and brought Carmen and Terra with him this time. Terra mostly worked in the school and brought lots of interesting and fun lessons to share with the little ones. Terra also sponsored a trip to the Pretoria zoo for our older children. Andy and Carmen did a lot of handyman work.

We're always blessed when Ministro Journeys comes. They're planning on coming more often in the future. Our to-do list will get a lot smaller with these special people.

The children went out for a one-week school break. The third term has just ended, and the fourth term starts the first of October.

The September birthdays were Micha (2), Mama Kedibone, Lorenzo, and Tshepiso (9).

For those individuals in the USA, Paul and Micky will be arriving back in the USA on 3 October. Here's a list of the locations they will be during the month of October. Please come see them. They have a lot of news to share with all their friends and supporters.

6 October, Cedar Ridge Christian Church, lunch at 12 noon. 4010 W. New Orleans in Broken Arrow. We will be updating everyone on the status of The Fold and showing pictures. If you're not a member of CRCC and want to attend, please go to this link and reserve a place for the lunch so they have a head count for the food preparation.

If you know of anyone who'd like to have them give a presentation to a group or a church, please let them know. We're also starting a program where an individual/group can sponsor a child at The Fold. The donor will get updates and pictures of their sponsored child. Please let us know if you're interested.

Prayer requests: Short and long-term volunteers, additional missionaries to meet current needs at The Fold, especially teachers. A local couple who are interested in working at The Fold. Long term funding for our learning centre. God's favor for the long-term future of The Fold and our children.

Praises: A new pick-up truck and a used one to come. A brand-new freezer was donated. Ministro Journeys and their help. Visitors who brought a party and also painted window frames while they were here. Clothing and other food supplies donated. Lots of interest for future help, in regards to short term volunteering and fund raising.

God bless,  
Paul and Micky Prince
