Greetings,

May 2019

In last month's newsletter, we announced we would be semi-retiring, and spending more time fund raising in the USA. We are happy to announce our new co-workers started early this month. Lorenzo and Thunette Cloete and their two children Jenaya and Malachi have been busy settling in at The Fold. They have found out quickly how hectic life can be at The Fold. But they are learning all the ropes as we go along.

We turned in our visa renewal applications in early April. At this point, there is no news. But we are hearing from other missionaries that their

visas are being disapproved. If ours gets disapproved, we'll have to leave this year, when the current ones run out. Otherwise, we plan to stay until March next year, to ensure a good handoff to our new co-workers. The du Plessis family is still waiting for news on the final phase of their immigration process to the US.

We've had lots of visitors this month. Some came to see The Fold, some came to donate items, and some came to play with the children. We really appreciate their interest. One of the visitors took a lot of photos of our family groupings, some individual photos, and our entire crowd. We will be posting them on the website, in our houses, and Facebook when we get them. We also had two young men (Charlie and Luke) volunteer their labor for a week. They did an awesome job. A lot of projects were able to be completed that week.

We also have acquired some new volunteers this month. We have Ananias who is going to stay for a while and teach music to the children. Charlotte is coming one day a week to help with the preschool, and we have a volunteer who wants to help with homework in the afternoons, if she can find transportation. This has been a really amazing month.

Birthdays this month were Sello (13), Micky (60), Keith (11), Tebogo (3) and Morgan (5).

Prayer requests: Visa outcome, that they would be approved. Short and long-term volunteers, additional missionaries to meet current needs at The Fold, especially teachers. Long term funding for our learning centre. God's favor for the long-term future of The Fold.

Praises: New co-workers. Game meat, clothing and other food supplies donated. Lots of interest for future help, in regards to short term volunteering and fund raising.

God bless,  
Paul and Micky Prince
