Greetings,

January 2019

We hope that all of you had a good beginning for this new year. As usual for us, January is a very hectic month. The children all returned on the 4th and started school on the 9th. We have 7 new preschool/crèche age children. They are all settling in well, including our 3 high school students who started the new year in a new high school.

We had a large group of hunters from Norway that came to bring us a large amount of food donations, along with a very large antelope. We are hoping to have future visits from the organizer of this group. We had a visitor for the last two months. She was very busy with art work in the children's homes and the learning centre. We also had t-shirts from Mauritius donated for everyone on the farm.

Moji Kitsi from Welgevonden game reserve came to our learning Centre to teach the children about the environment. He will be coming once a week. He was a great speaker and kept all the children involved and interested.

January birthdays were Maria (14), Lerato (5), Hendrick (6), Markos (8), Tebogo (11) and Retha.

Prayer requests: Short and long-term volunteers, additional missionaries to meet current needs at The Fold, especially teachers. Long term funding for our learning centre. God's favor for the long-term future of The Fold.

Praises: Seven new children. Visitors who brought various donations. Nice rains continued this month. Paul and Micky's 14th wedding anniversary.

God bless,
Paul and Micky Prince
