Greetings,

December 2020

This month the children were invited to sing Christmas songs at the local mall, with the Cloete family's church. They did a wonderful job. And we increased our domestic animal population with our sheep and ducks having babies. They are so cute to watch. The children's end of year school program went very well. It was well attended by family members. All of the children managed to progress to the next grade, made possible by a lot of overtime in the school. The children and teachers worked very hard to make this happen.

The Christmas/end of year party was quite the success. They went to Umdeni game farm for the day. Lots of good food, games, using the pool, and of course Christmas presents for everyone. The children left the Fold on the 10<sup>th</sup> and unfortunately won't be back until 25 January. The new school year is starting late. Please keep all the children in your prayers for their safety. After the children left, all our staff attended a team building program, before they left for the holidays as well.

As you know, New Road Missions has taken over the oversight of The Fold, while the Cloete family are the “hands-on” administrators. Paul and Micky will be fundraising and sharing the good word with any interested groups. They will also visit The Fold once a year once it’s safe to travel again. Sometime in the near future, those who receive the newsletter by email will be getting an email from New Road Missions. They will be sending updates of what they’re doing and video clips of happenings at The Fold. Most recently they have sent out the video links below. The first one is the Cloete family updating you, and then Jim and Tammy Walter from New Road Missions also has a video update.
