Greetings,

July 2020

A lot has been going on at The Fold this month. A local farmer loaned us his TLB to remove roots in the area where we are extending the garden. Then we had four young men from the University of Pretoria visit, and they extended the fence on one side of the garden, so more vegetables could be grown for the children. A group from FASA came and rebuilt and painted one of our oldest playground items, which has always been the children's favorite. It had gotten to the point that it was not going to be usable much longer.

Some friends put us in contact with an artist from Pretoria who agreed to paint murals on the outside of the building. The children are enjoying watching him create the beautiful murals. He's not finished yet, so there will be more pictures next month.

The best news is, ALL of the children are back at The Fold. Due to COVID spreading further in South Africa, The Fold is currently on lock down. The children and staff are staying on the farm. They have extra volunteers on the property as well, and they are currently helping with chores around the farm and one is helping the children get caught up on their reading.

On a sad note, donations are down for a variety of reasons. If you can help with any amount of money, we would greatly appreciate it. No amount is too small. Due to the current crisis, trophy hunters are also not hunting this season, and most of our meat came from that source. We ask you to please continue your donations, and please don't forget the link to sponsor a child: <https://www.thefold-sa.org/sponsor-a-child>

Birthdays this month are Mpho (7), Jenaya (4), Ofentse (7), Dineo (5) and mama Magdeline. They will be having a huge birthday party soon for all the missed birthdays this year.

Praises: All of the children are back. FASA helping to repair and paint playground equipment. The garden area has been enlarged with the help of university students. Beautiful paintings on the outside of the building.

Prayer requests: Our children and staff, and the entire country of South Africa, safety from the virus and an end to the virus worldwide. We need additional donations. We desperately need to find an additional couple to work at The Fold.

God bless,
Paul and Micky Prince
