Greetings,

June 2020

We have some good news. Our children from grade 4 and up are back with us. They have been doing well with social distance at school and putting in lots of overtime to make up for all the missed classes. We are hoping our 1<sup>st</sup> – 3<sup>rd</sup> graders will be back with us soon.

As usual, the guys have been busy on the farm. The garden was cleaned out and prepared for new seedlings. A group of volunteers from FASA helped with all the planting.

Other work included adding a bedroom to one of the houses; a driveway to the office to help offload donations; and pouring a cement pad to the front of Olivia house, so the wooden stairs wouldn't get eaten by the termites as easily as before. We made an

update to the garden fence since the electricity around the fence hasn't been working as well as we'd like. We've now installed razor wire to try and keep the animals out. Lots of great work this month.

Birthdays this month were Jessica (15) and Tumelo (5), also two staff members, Marcus and Catrin. I'm sure there will be a huge birthday party when everyone finally gets back to The Fold.

We ask you to please continue your donations, and please don't forget the link to sponsor a child: <https://www.thefold-sa.org/sponsor-a-child>

Praises: At this point, the virus has not affected donations. FASA helping to plant the vegetables seedlings. Some of the children are back. More infrastructure accomplished at The Fold.

Prayer requests: Our children and staff, and the entire country of South Africa, safety from the virus and an end to the virus worldwide. We desperately need to find an additional couple to work at The Fold.

God bless,  
Paul and Micky Prince
