Greetings,

January 2020

It's a new year and a new decade. There are lots of exciting changes coming for The Fold. We will be sending a letter out later with details.

Paul and Micky came back from the US after a 3-month fund raising trip. A few days later the children all came back from the December school break, ready to start a new school year. We started the new year with two empty beds and quickly filled them with two very cute little girls.

School started well. We had a US visitor who's a school superintendent. He had lots of ideas to share, helped organize the school schedule and taught two of the teachers new techniques to teach the younger ones to read.

Birthdays this month were Tebogo (12), Markos (9), Maria (15), Ouma, Lerato (6), Hendrick (7).

There was additional remodeling done before the children returned. We still had one house that did not have a ceiling in it. Thankfully it's done now. It will help with the temperature and lessen the dirt that gets through the cracks of the metal roof. Even some of the kitchen counters received an upgrade while the mom's were out. Our workers were very skilled in using parts from donated furniture to make some cabinets for the moms. The moms were very happy.

The Wildcats, our A World Aware/SA team, have been busy with that organization as well. They continue to participate in team building and learning about Christian life which builds them up. They also go on projects with AWA to contribute to our local communities. They develop lessons to teach younger ones and have volunteered in Christmas parties for many children. We are proud of their desire to be doers of The Word.

Praises: Great start to the school year. Lots of work done on the houses during the break. Micky and Paul back safely after a successful trip. Lots of interest for future help in regards to short term volunteering and fund raising.

Prayer requests: We desperately need to find a new couple to work at The Fold. Short and long-term volunteers, additional missionaries to meet current needs at The Fold, especially teachers.

God bless,  
Paul and Micky Prince
