Greetings,

August 2020

It's been a busy month at The Fold. We had received a donation to dig a new well, and the well was dug this month. The new well is 109 meters deep and producing 8,000 liters an hour. Due to the depth, we will be able to get water even in a severe drought. For The Fold to grow, this additional well was required, as the other well was barely meeting the current need for water.

We also received a meat donation, along with food and face masks for everyone from Quagga Safaris. It was such a blessing, since meat donations are down due to a lack of tourist hunters who frequently donate their carcasses. Quagga made a video while they were at The

Fold. They are going to promote The Fold to their visitors, which we very much appreciate. You can see their video at this link:

The Fold celebrated women's day with all our staff and had a nice lunch for everyone. The garden is really doing well with all the plants getting ready to provide much needed vegetables. And our artist also finished some more murals on our main building.

Birthdays this month are Kabelo (5), Blessing (7), Mahlodi (5) and teacher Anna. This was also the month that all the birthdays since March was celebrated with a huge party.

Financial donations are down for a variety of reasons. If you can help with any amount of money, we would greatly appreciate it. No amount is too small. We ask you to please continue your donations, and please don't forget the link to sponsor a child: <https://www.thefold-sa.org/sponsor-a-child>

Praises: All of the children are back. A new water well. Quagga Safaris with their donations and advertising The Fold to their visitors. Beautiful paintings on the outside of the building.

Prayer requests: Our children and staff, and the entire country of South Africa, safety from the virus and an end to the virus worldwide. We need additional donations. We desperately need to find an additional couple to work at The Fold.

God bless,
Paul and Micky Prince
