Greetings,

May 2020

We hope and pray you all are getting through this pandemic well. There are so many people who have lost jobs or even their lives. We are still not out of the woods yet, as things are slowly being returned to normal. As for the children at The Fold, they are still not allowed back, but we have heard that things will begin to loosen up on 1 June.

Lorenzo continues to deliver food parcels to our children; we really appreciate the extra donations for those parcels. Our guys harvested a lot of vegetables from our garden to go with the food parcels. We received another load of eggs, and we had a visitor from the Lephalale primary school. They collected clothing and food for our children.

In the children's absence, the last few months have seen lots of maintenance accomplished at The Fold. Three houses were painted, kitchen cupboards were fixed and installed, and lots of tree trimming was done.

As we've said in the past, New Road Missions, has great things in store for The Fold. Some of their ideas include: Construction/buildings-IN PRIORITY ORDER: Switching to LED lights, Inventory everything, job descriptions, SOPs- (need admin/detail proficient people), build 10 Bunk beds and tables for houses, car port for visitors parking, painting of houses and apartments (inside), ceiling in Ruth house and office, fix fences, tiling of office, roads maintenance. Grounds- IN PRIORITY ORDER, veggie garden expansion. build pens and shelters for pigs and sheep, trail maintenance in back of property, flower gardens maintenance, veggie gardens maintenance, and playground expansion. In the last 6 months, some of these items have already been accomplished. The future of The Fold looks very good indeed. We ask you to please continue your donations, and please don't forget the link to sponsor a child: <https://www.thefold-sa.org/sponsor-a-child>

I'm a little late sending this link, but if you're still doing online shopping, please use this link: <https://smile.amazon.com> and put in Prince Ministry in South Africa as the charity you want to support. We're also a charity listed on <https://givingassistant.org>, you can do online shopping with this organization as well.

Birthdays this month were Blessing M. (3), Morgan (6) Tebogo Chris (4) and Sello (14). I'm sure there will be a huge birthday party in June for all the missed birthdays, if the children are allowed back anytime soon.

Praises: Lorenzo was able to continue to get food parcels to the children. All the extra donations for food parcels. At this point, the virus has not affected donations.

Prayer requests: Our children and staff, and the entire country of South Africa, safety from the virus and an end to the virus worldwide. We desperately need to find an additional couple to work at The Fold.

God bless,
Paul and Micky Prince
