Greetings,

November 2020

In spite of all the extra work going into catching up on school work, The Fold has been able to have some fun along the way. There was a dance party in the playground with lots of nice watermelon. Hands of Hope arrived to spoil the house moms. They taught them how to make cards, and had coffee and cake. It was a very nice treat for all.

All four houses at The Fold put up their Christmas trees. The kids had fun with all the decorating. Our oldest child, Piet, had his matric farewell party at school. Unfortunately, grades will only come out next February. Please pray for him that he passes.

The Garden has been doing better than ever. Crops that have been a failure in the past are flourishing. When everyone goes out for the end of year break, there will be lots of vegetables going with them.

There was a combined birthday party for November and December. For November we had Moloko (5), and December was Paulina (4), Khutso (11), Bonita (11), mama Francina and mama Lydia.

The holidays are coming. If you do any on-line shopping, please use this link: <https://smile.amazon.com> and put in "Prince Ministry in South Africa" as the charity you want to support. It doesn't cost you anything. If you're already a Prime member, this will not affect your membership. You just need to move over to smile

amazon and all your history will still be there. Our donations are down, and if everyone who is using Amazon would change to smile, it would help us immensely.

Please don't forget the link to sponsor a child: <https://www.thefold-sa.org/sponsor-a-child>

Praises: Enough vegetables that we can share with others.

Prayer requests: All our children get promoted to the next grade at school. Our children and staff, and the entire country of South Africa, safety from the virus and an end to the virus worldwide. We need additional donations.

God bless,
Paul and Micky Prince
