Greetings,

June 2021

We had two groups of visitors this month. They spent time with the children and brought various donations, including fruit, vegetables and stationary. We hired a new teacher, Mildred Mafuta. The kids really love her. She is a qualified teacher and was recently teaching in a college. She will be a great asset for our older children. Currently the children are working on their midterm exams. They'll be on school break 12-26 July. Piet who graduated last year is also finishing up exams this month. He had the opportunity to study and retake his math and science exams.

Our house moms and older children are helping with the scripture reading on Sundays and for the bible story times in the evenings. The children are having a bible study class at school.

Paul and Micky are very excited. They are finally able to get out and do presentations again. They have two Sundays in July already scheduled.

Birthdays this month are Jessica (16) and Tumelo (6). Jessica was away at school and missed the party.

Can you please pray for Khutso. He's been sick for quite some time. He's had lots of tests done and we're waiting for the results. Initially there was nothing found except for elevated liver issues. We're very concerned for him.

South Africa is having another COVID outbreak. They have gone back to level 3 shutdown. Surprisingly they have not shut the schools down. The airports are staying open also.

Praises: Paul and Micky are able to get into churches again to do presentations. Visitors who brought donations. We have a new teacher.

Prayer requests: Our children and staff, and the entire country of South Africa, safety from the virus and an end to the virus worldwide. All the children's exams and Piet's grades. Khutso getting a diagnosis and cured of whatever is wrong with him.

God bless,
Paul and Micky Prince
