Greetings,

May 2021

Paul and Micky had a great visit at The Fold this month. It went by way too quickly, but they were very happy to see all the children and staff. It was as if they had never left; they just jumped in and got to work where needed. Then, with the help of many generous donors, Micky and Paul did a lot of shopping for the children when they got there. Every child received a pair of takkies (sneakers), a warm bathrobe, and other needed items of clothing. They also brought with them, 4 suitcases of donated new and used clothing.

It was a very busy two week visit. Paul and Micky attended morning devotions, both at the school and with the staff. Bible story time in the afternoons were lots of fun. The children are learning the books of the bible and taking turns doing the Gospel bag story.

The Good Shepherd Centre has been renamed The Fold Academy and is now part of ACSI! (Association of Christian Schools International) We are grateful for their assistance and insight into making our school even better!! Looking forward to a more hope filled future. The school also started implementing a gym class recently.
