Greetings,

December 2021

The Fold had their annual school graduation ceremony. They worked hard this year, to make up for lost time, due to COVID.

Not long after the school graduation, the annual Christmas party was held for the children and staff. Lots of gifts, good food and games. If you would like to see a video of the party, you can follow this link:

The children have all returned to their family members for the holiday break. Please keep all the children in your prayers. This is the longest school break they have each year and isn't always in their best interest to be gone so long.

Paul and Micky have been back in the USA for almost two years. In that time, both of their mothers have passed. Paul's mom died in June 2020 and Micky's mom passed away 22 October 2021. Paul's mom was a supporter of The Fold and told everyone she knew about what was happening at The Fold. She was also a prayer warrior for The Fold. Micky's mom had dementia. She was surrounded by her children in the days before she passed, and when she died. Micky's mom made three mission trips to South Africa, helped sponsor the chicken coop project, and fundraised in the U.S. through craft projects and trivia nights. We will miss her devotion to this initiative. She left The Fold a large donation in her will. At some point in the future, the community hall, that we had dreamed of, will be built in her honor. If you would like to make a donation in memory of either of them, or your own parents, please visit this website: <https://www.thefold-sa.org/give>
