Greetings,

January 2020

The children will not return as scheduled this month. The South African president has pushed the start of school to 15 February. Please continue to pray for our children and staff to be safe from the virus. This second round of the virus is much worse than the first phase.

Our gardener's continue to work at The Fold, fixing things, sprucing things up, and keeping the garden alive. They had a very nice crop of potatoes this month.

The January birthdays were Tebogo (13), Markos (10), Maria (16), Ouma, Lerato (7), Hendrick (8). Since the children aren't back yet, this picture is from last year. We will be celebrating with them next month.

Please don't forget the link to sponsor a child: <https://www.thefold-sa.org/sponsor-a-child>

Praises: Nice crop of potatoes. We are grateful for the donations that we continue to receive, in spite of COVID.

Prayer requests: Our children and staff, and the entire country of South Africa, safety from the virus and an end to the virus worldwide. We need additional donations.

God bless,
Paul and Micky Prince
