Greetings,

March 2022

The children were invited to go on a hiking trail with Moji at Welgevonden a few weeks ago. The group became the first ever to walk their newly-developed hiking trail! They had so much fun learning about the animals they spotted. Their sighting of the day was the Shlegel's Blind Snake. The program that Moji is part of is called W E A P (Welgevonden Environmental Awareness Program) He will be coming back to the school once a week, and taking them on day trips next term to educate the children. We are super excited to have him back!

Here are a few of our students learning Afrikaans. Term 1 of this school year just got over and the children will be out the last two weeks of March. Please pray for their safe return, and fresh minds for the next term.

Happy February Birthday to Sarah and David!!!

Paul and Micky are going back to South Africa on 19 April, and stay for 3 weeks. If you would like to help out with gently used clothes (local friends) or monetarily to buy area rugs for the houses and a new grinder for the work shop, please send your donations to our forwarding agent (Prince Ministry, 200 Solley Dr. Winchester, MO 63021).
