Greetings,

April 2022

The Fold Academy is back in session for the second term!!! Crèche (preschool) through high school, the children are ready to learn!!

Paul and Micky arrived this month with 5 suitcases of donations. Thanks to all those who donated these items. We also had quite a few people donate funds to be used in South Africa. The children received a shirt for the boys and a dress for the girls. Our mama's were hard at work processing the chickens for the freezer.

Many thanks to AIPetra for an amazing field trip for the children at The Fold. While visiting AIPetra, the children got to meet “Sophie”, an orphaned cape buffalo and they got to bottle feed her! The children got to ride a horse and feed carrots to the horses. They had a game drive, a hotdog and coke for lunch, and ended the day playing in the creek. It was a busy, happy, long day. What an awesome experience!!

Praises: Our children and staff are all in good health. The response for clothes and funds for the trip was amazing. Alpetra for sponsoring a great day for our children.

Prayer requests: Travel for Paul and Micky in May for the return home. The search for an additional couple for The Fold, that the best people for the job would be found.

God bless,
Paul and Micky Prince
