Greetings,

April 2023

We have arrived at The Fold (Paul and Micky). We are so excited to see the children. It's been nonstop running since we arrived. Our very first day here we celebrated the March birthdays. Mahlatse, Itumeleng, Siem and Thapelo.

Our first Sunday was church outside with the children. We were also joined by the pigs who escaped from their pen.

The children all received new winter pajamas and the suitcase is full of just some of the donated socks and underwear. Thank you to all who donated to this cause.

We also got to meet three new children, who had recently arrived. Moses (age 5), Karabo (age 3) and Otondaho (age 4).

We've been able to attend the morning devotions at the school. We also got to pick up Maria and Jessica from school for a long weekend.

God bless,

Paul and Micky Prince
