Greetings,

August 2024

Paul and Micky have been at The Fold for 1 1/2 weeks now, loving on the children and helping out where they can. We are grateful for visitors who come to see what we are all about!! The kids love giving and getting hugs! These folks brought some cute bucket hats and crocs for every child!! We can't thank you enough! God bless you!

The children love when Moji comes to visit. They learn about their environment and the ecology while having a whole lot of fun!

What an amazing week we have with an incredible team on mission for Jesus! The children are thoroughly enjoying having Uncle Dave and Olivia, the BEST father/daughter team there is!! Olivia has been teaching about the beatitudes. They've had tons of fun playing games, singing, dancing and so much more. Uncle Dave read a story to the children about a lion who found his lungs!! ROAR!! The children were very attentive. They love story time!!! Uncle Dave and Liv had the children create something out of clay. They were very proud of their creations! They made a variety of beautiful things!! Just like God created them unique and for a purpose! We are grateful for our teams who sacrifice so much to invest in the children!!

We had quite a few visitors this month, even a couple who spent the night and taught the children a new song and a craft to go with it. They loved The Fold so much, they told another couple who were at the same game farm, and brought that couple back with them, for another visit.

This month's birthdays were Blessing (11), Kabelo (9), and Mahlodi (9).

Micky and Paul brought clothes and backpacks for all the children. They were very excited to get them and wore them to school the next day.

We look forward to the future and pray for the children who will be helped in the future. If you would like to volunteer at The Fold, please contact Jim Walter. His contact information is listed at the bottom of the first page of this newsletter. Groups are especially encouraged to come, there are lots of projects in the works, and help is needed.

A reminder in regards to Prince Ministry in South Africa. As of the end of September, we will not be taking any more donations. Please send your donations to New Road Missions. Also, there are changes on 16 September 2024 regarding Hotmail, and I am not 100% sure I will still have my email addresses; waiting to see what happens. We will continue to send out monthly newsletters if I still have my hotmail email, and are fully committed in supporting The Fold.

God Bless,
Paul and Micky Prince
