

Greetings,

September 2024

Paul and Micky had a great trip to the Fold. They brought clothes and backpacks for all the children. With all the donations we received we were able to buy sneakers for all the children. Also a fire fighting water pump and a laser measure that will help with future construction. We also stocked up the school with printer paper. The remaining cash was left for Christmas presents and to help with the end of school year party. We can't thank you all enough, for your help to do something nice while we were there. This was the best trip ever.

There were quite a few visitors to The Fold while Paul and Micky were there. They filled in a few times to give the tour to the visitors. One of our visitors was a retired doctor and she really enjoyed talking to the children, especially Keith who hopes to be a doctor.

There was lots of jobs to do while there. Micky went through the files with Carmen, and also updated the library list and labeled the books for the proper shelves. We had visitors maybe 8 years ago who made a xylophone for the playground. It was in pitiful condition. Paul worked on it for 3 days. Repaired, painted and rehung it on its frame. The kids loved it.

Those who supported our trip helped pay for this fire fighting water pump, provided by our great friends at Mica. Gerhard has made a great plan on using the trailer frame, adding the water container and installing the water pump on it. He's making a very useful product for putting out bush fires on the property, cleaning the dust off the solar panels in the dry season and using it to clean vehicles as well.

We look forward to the future and pray for the children who will be helped in the future. If you would like to volunteer at The Fold, please contact Jim Walter. His contact information is listed at the bottom of the first page of this newsletter. Groups are especially encouraged to come, there are lots of projects in the works, and help is needed.

A reminder in regards to Prince Ministry in South Africa. As of the end of September, we will not be taking any more donations. Please send your donations to New Road Missions. Thank you for your support all these years.

God Bless, Paul and Micky Prince
