Greetings,

October 2024

Paul and Micky's trip was so busy, there wasn't enough room on last month's newsletter to tell you about everything. There was lots of bush clearing going on. Paul was usually in the middle of it, helping where he could. The ball court also got new basketball posts with rings/nets and a touch up on the paint job. It looked great.

By now the garden should be covered with small plants. When we were there the land was prepared and lots of seeds were planted. All the pigs were sold except two pregnant sows who gave birth just a few days later.

The children are in their last school term for the year! Please pray that God will work in their hearts and minds and help them finish **STRONG** as they study hard and do their very best!

We look forward to the future and pray for the children who will be helped. If you would like to volunteer at The Fold, please contact Jim Walter.
