Greetings,

December 2024

The children and staff have all left for the end of school year break. The next school year starts on 15 January. Please pray for them to be safe until they return to The Fold.

They had a great cookout for the Christmas party, but then the rain began, and they moved under the carport until the wind blew so hard the kids had to take their food into the house to finish eating. Fortunately, they were able to enjoy a jumping castle, water slides, and get their gifts before the rain started.

New Road Missions

Before leaving The Fold, they had their end of school celebration. Family members were allowed to attend. For the celebration the children performed a play about the prodigal son, had a traditional dance, and received certificates of accomplishments. This was the first event to use the Life Center. This time next year the entire building should be finished, giving us more classrooms and an event area.

New Road Missions is looking for new monthly donors through child sponsorships and one-time donations towards general expenses. The Fold is looking to grow in the near future. We need more teachers for the school. Click on the picture to see the video of Ma'am Khumalo. She's a teacher at The Fold. She's talking about what the children learn at our school.

We look forward to the future and pray for the children who'll be helped. If you'd like to volunteer at The Fold, please contact Jim Walter. His contact information is listed at the bottom of the first page of this newsletter. Groups are especially encouraged to come, there are lots of projects in the works, and help is needed. If you'd like to make a donation you can use this link: <https://newroadmissions.org/give>

Merry Christmas and Happy New Year!
Paul and Micky Prince
