

As I am sure you are aware New Road Missions took over the management of The Fold back in 2019, after Paul and I left the field for various reasons. New Road Missions is doing an excellent job of running the Fold, and we expect even greater things in the future. Paul and I will still be going over to visit on a yearly basis. And we have weekly phone calls with Jim Walters who is the director of New Road Missions. We always know what is currently going on. And Micky is still doing the newsletters, keeping everyone aware of the events that happen.

Since NRM took over operations in 2019, all new donors have gone through them for payment processing. And the donors going through "Prince Ministry" has continued to decline, which is by design and expected. Therefore, after a lot of prayer and discussion, we have decided to close down The Prince Ministry entity. We have decided that we are using too much of what we currently get, for tax preparation and directors' insurance. It would make more sense to ask the donors that we still have, to please transfer your donations to New Road Missions, thereby reducing our cost, and have more funds available to care for the children at The Fold. NRM is running The Fold in an outstanding manner. And in fact, Paul and I send our donations directly to NRM instead of Prince Ministry.

We are planning on accepting donations at Prince Ministry until 30 September 2024. That will give us enough time to close out all the books and close the accounts by 31 December 2024 and only have to pay the tax preparer one more time.

Paul and I want to thank you for your prayer and financial support over all these years. We couldn't have done it without all our donors and the prayers that were sent out. We always knew we were being prayed for.

You can transfer your donations to New Road Missions through their website:

You can also mail a check to the following address:

We can't thank you enough for your support, and we ask that you please continue to support The Fold through your generous giving. And we encourage you to visit The Fold to see your gifts at work. They are welcoming visitors to come and see and help. If you have any questions, please feel free to call Micky at 918-530-8173. She would love to talk to you about everything that is going on at The Fold! And you are always free to call Jim Walter from NRM at 561-203-5303.

Blessings,
Paul and Micky Prince
